Product Discontinuation: Select BD Vacutainer® SafetyLok™ blood collection sets

Dear Valued Customer,

As part of our commitment to delivering high-quality products and services, BD routinely evaluates our product portfolio. We have made a strategic decision to discontinue select items from our BD Vacutainer® SafetyLok™ Blood Collection Sets product line, effective 9/30/2026 or until inventory depletes. This change will help us streamline our operations and improve supply chain predictability. We understand that this decision will affect your business operations, and we're committed to supporting you every step of the way.

Affected product codes:

Reference #	Product Description	Suggested Alternative Reference #	Suggested Alternative Product Description
367287	BD Vacutainer® SafetyLok™ blood collection set, 21g, 7" tubing, with luer	367281	BD Vacutainer® SafetyLok™ blood collection set, 21g, 12" tubing, with luer

--------	---	--------------------------------	---

*The potential alternative or substitute products are BD's suggestions based on its own comparison of the form, features and functions of the discontinued products and the potential alternative or substitute products. Depending on a customer's circumstances, clinical requirements and intended use of the proposed alternative or substitute product, such product may not be a clinically appropriate substitute or alternative to the discontinued product, and any such determination shall be made by the customer.

Recommended Actions:

- Assess your current inventory and plan for depletion
- Update your systems to reflect the discontinuation on the effective date
- Coordinate with your team to manage remaining stock efficiently
- Order new suggestive alternative product to ensure a smooth transition

While this change may have some short-term impacts, we believe our commitment to providing innovative products, solutions and services will offset them. For additional assistance, please contact your local BD Sales Consultant, email us at bd_customer_service@bd.com or call BD Customer Care at 1.844.8.BD.LIFE (1.844.823.5433)
